

Summary of TSA Council meeting held on 18 July 2012

- Graham Mills welcomed Olivia Masters of Infoterra to her first Council meeting as a co-opted member.
- The GPR seminar on 1 May at The Survey School and the Monitoring Seminar on 27 June at Leica Geosystems were both successful and generated good feedback. A second seminar on GPR and also one from Topcon on Mobile Mapping are scheduled for the autumn.
- Lockton host and present a half day seminar in London on Business Continuity and NEST on Wednesday 28 November.
- The next Discussion Group will be held on 7th November at the National Space Centre in Leicester. The day will be themed 'Above and Below'.
- TSA's website has been relaunched successfully, along with a new Blog section.
- TSA's group on LinkedIn currently has well over 1,000 members and is open to non-members. Group Rules have been created, to ensure that non-Members are not using the group to promote themselves or their services. TSA also has over 400 followers on Twitter.
- The Bursary scheme has been a success and will run again.
- TSA will be exhibiting at the Mapping Showcase on 6th December at Lord's Cricket Ground.
- TSA's logo is now protected by Copyright.
- TSA Members should be made aware of the Lone Worker Safety Exhibition, which is due to be held at Olympia on 27th November.
- Laser Surveys have offered their services in using postcodes to create a map of stolen equipment. Further details will be sent to members shortly.
- Four new and updated Client Guides are in final draft form.
