

Summary of TSA Council meeting held on 17th October 2013

- The GIS Seminar hosted by Leica Geosystems on 11th September was well received. Graham Hunter at 3D Laser will run a seminar on Zebedee on 5th November at The Survey School. This is now fully booked.
- TSA's AGM is scheduled to be held at GeoDATA in Manchester next year. The date and exact location will be confirmed in due course.
- The www.becomeasurveyor.co.uk website is being extensively reviewed and improved. The stats show over 800 visitors a month visit the site. A 'Roadmap' how the various routes into surveying has been drafted and will be added to the site.
- Aird Geomatics (Full) and Ashtead Plant Hire (Supplier) have been accepted into membership.
- TSA membership currently stands at 144 companies.
- The new exhibition for the survey industry, Geo Business 2014, will be held on 28th – 29th May 2014 at the Business Design Centre in London. TSA will be exhibiting alongside RICS and ICES.
- TSA will be exhibiting at GeoDATA in London on 28th November.
- More PR work is scheduled around the new SUA Client Guide.
- 2014 will see an increase in promotional activity by TSA.
- TSA's group on LinkedIn currently has over 1,900 members and is open to non-members. TSA also has over 800 followers on Twitter.
- Many more Client Guides are in the final drafting stages.
- The public consultation stage of PAS128 is now complete.
- The Business Plan continues to be reviewed and updated.
